

Music in Corrales (MIC) Ticket Instructions

Tickets for Music in Corrales online concerts are now available through an online portal. To obtain tickets take the following steps:

1. Click "Get Tickets," either directly on the MIC newsletter NOTES, or on the MIC website under "Concerts."
2. This will take you to a new screen where you can obtain tickets. Below the photograph and concert description you will see a box labeled "Tickets." In that box, scroll over to the "+" sign and add the number of tickets you want to obtain. You must choose at least one ticket to continue the process. Once you have chosen the number of tickets you want (one ticket per person viewing the concert), click "Get Tickets."
3. A screen will pop up for you to confirm the number of tickets you wish. Then click "Checkout Now."
4. This will take you to a new screen where you are asked to enter your name, address, phone number, and email address. **BE SURE TO CHECK YOUR EMAIL ADDRESS CAREFULLY.** This is how your tickets will be delivered to you.
5. Next you will see an invitation to make a donation to Music in Corrales. As you know, MIC is an all-volunteer organization that relies on donations to support its vital functions. ALL donations are greatly appreciated! (If you choose not to donate, skip to "Place Order.") After entering a "donate" amount, a window will open at the bottom showing various credit card logos and a button that says, "Proceed to PayPal."

6. When you click on “Proceed to PayPal,” it will take you to a new window for a log-in page at PayPal. Once you log in, it will give you options for payment via a PayPal account or a major credit card. Once you have paid, you will receive a payment confirmation from PayPal on behalf of Corrales Cultural Arts Council (aka Music in Corrales).
7. Click “Place order.” A new screen will show that your order has been received.
8. You will then receive an email from Music in Corrales that says “Your Music in Corrales order has been received!” and is being processed. If you don’t receive this email within 30-45 minutes of placing the order, please check your Junk, Spam, or Clutter folders in your email system.
9. You are now all set! You will receive a separate email from MIC closer to the concert date with your digital tickets, and a link to the concert.

We hope you enjoy the concert! Music in Corrales has been presenting the highest quality musical performances for the last 34 years. Even in times where we can’t gather in the Old San Ysidro Church in Corrales, we can all still enjoy beautiful music digitally.
