

Evelyn Curtis Losack Endowment for Music Education

Corrales Cultural Arts Council (CCAC) is an all-volunteer non-profit 501(c)3 organization. We provide the Music in Corrales concert series September through April each year and Music in Schools programs for children in local schools during the school year.

We rely on gifts, grants, and contributions from individuals, businesses, government agencies, and civic organizations to continue the tradition of musical excellence for our community that began in 1987.

We value the support of generous donors and we are grateful to all those who give of their time, talent, or financial support. All gifts are appreciated and acknowledged.
