

# Evelyn Curtis Losack Endowment for Music Education

The Evelyn Curtis Losack Endowment for Music Education was established on the occasion of the Corrales Cultural Arts Council's 30th anniversary. Evelyn Curtis Losack was one of the original founders of the CCAC in 1987.

The purpose of the Endowment is to provide sustained long-term support for the CCAC's mission: to enrich Corrales and its surrounding communities with music education for children and others with special needs, and with great musical performances for general audiences.

Donations to the Endowment are welcome. Please indicate the level at which you wish to support the Endowment, and enclose this form with your check. Your contribution will be acknowledged in next year's concert program.

Thank you for your generous support.
